This memo serves to document the delivery and contents of SECTION 5 – SPECIFICATION

The attached document, SECTION 5 – SPECIFICATION, describes in great detail the final solution adopted by Team C.H.A.I.R. Section 5 consists of 5 parts: introduction, description of solution, costs, instructions for implementation and use of model, and results. These parts have been completed as of 4/16/19 and submitted by 12:00pm.

Please review the SPECIFICATION and suggest any revisions to improve the clarity and structure of the document.
