SUBJECT: ENGR. 215 PROJECT MATH PATH; SECTION 2: LITERATURE REVIEW

DATE: 2/28/2021

The purpose of this memo is to submit our draft of Section 2: Literature Review.

Included in this is relevant information regarding our design and solution brainstorming process. Client Criteria, similar projects, Zane Elementary, common core education, material specifics/application will all be discussed in the following sections. We would like feedback on pages 3 & 8. Our group was not able to meet until February 28th due to time conflicts and personal difficulties. Any and all advisements would be appreciated. Most of our research was completed, although we do have a few sections we still need to fill in. We were not able to complete peer reviews.

We look forward to receiving your feedback on these documents.
