
INTEROFFICE MEMORANDUM

TO: LONNY GRAFMAN
FROM: AUSTIN CHESTER, LOGAN REED, JOSIAH NORTON
SUBJECT: ENGR 215 10-WEEK PROJECT: SECTION 2 DRAFT, PROBLEM ANALYSIS + LIT REVIEW
DATE: 12/6/2012

The purpose of this memo is to submit Section 2 of our document outline, which is the section titled, "Problem Analysis and Literature Review," as well as submitting a copy of our works cited page. We would like feedback regarding two specific pages of our Literature Review.

Attached to this memo is a first draft of Section 2 of our project document, which includes background research that assesses anything that we think is relevant to our project including information on the client and the clients specifications for the project; as well as topics that may be included in our project with which we can choose to further research and make decisions about the final design of our project on. Please look at pages 3 and 6 as well as another page of your choice for posting feedback on our document.

We look forward to your feedback regarding our submissions. Thank you for your time.
