Every individual's efforts, no matter how small, can contribute to the sustainable development of our economies and communities around the world. **Have initiative and be committed to follow the sasrai-Movement principle in daily living and persistent to voice the appeal from all corner**

- ❑ Please, save a drop of water daily, during all water related activities.
- ❑ Please, keep off electric appliances one minute daily
- ❑ Please, suspend travel by personal car once a day
- ❑ Please, keep a day in a week luxury free
- ❑ Please, plant at least a tree annually in own home or in the community.
- ❑ Please, do not throw away the waste wherever you like.
- ❑ Please, No more junk food
- ❑ Please, save one minute to think on Climate Change and Environment
- ❑ You could uphold the movement instantly using sasrai-Movement appeal at the bottom of your all printed material

And each individual, family, institution, societies could be in playing a crucial role in response to climate change
