
Memorandum

TO: LONNY GRAFMAN

FROM: TEAM PORTA POSSIBILITIES, ERIN MCDANNOLD, BRENT DAVIS, MERISSA COELLO, AND ISAIAH DUARTE

SUBJECT: ENGR 215 PROJECT, SECTION 5

DATE: 4/13/2015

The purpose of this memo is to submit a draft of section five of our Engineering project. This section is the final design specifications and will go over each of the projects parts in depth. It will also include the hours spent on each section of the document and cost of materials used.

This is a draft of the document and the project is unfinished so better results will be provided in the final version of the document.
