

- NOTES:**
1. Allow for error of 2 inches with the lengths of the triangle
  2. Blue objects are water utilities, drains, etc.
  3. Gray areas are concrete pathways
  4. Green areas are sod or grass
  5. Planter Boxes are 8 inches tall, and are at least 1 foot away from all concrete
  6. This is an overhead view to number the planter boxes so they can be specified later
  7. All planter boxes are made out of cedar wood which will last about 10 years if implemented correctly
