GOALS

To become proficient in all fields of Environmental Resource Engineering and to learn through challenges. To broaden my range of knowledge by exploring things that are outside the realm of Engineering.

HOBBIES AND ACHIEVEMENTS

I enjoy playing lacrosse and riding all types of bikes, water sports and snowboarding. If I'm not inside working I'm outside doing a physical activity.

2014 Became an Eagle Scout

Team Captain 3 years for lacrosse, Thousand Oaks High School

124 Documented volunteer hours

Third degree Black belt-8 years karate self-defense training including teaching classes

LAFD cadet program

Member high school water polo team, 2012-2014
