Subject: ENGR 215 Design Project: Section 5: Specification of Solution Phase

Date: 4/10/2018

The purpose of this memo is to submit our team's Specification of Solution Phase section for critique. Enclosed in this section are the design description featuring Auto Cad figures, time and monetary cost analysis, construction, projected maintenance cost, implementation instructions, and prototype performance featuring summaries of three iterations of prototypes.

Section 5 begins on page 25 in the document. Any criticism or feedback on this, or any, portion of the project will be greatly appreciated and given due consideration.

Thank you for your time, we look forward to your critiques.
