End Pieces

Feet for end piece

Camera Plate

Constraints
- Ability to use on any incline less than 45°
- Controller must have intervalometer functionality and be able to use w/ camera
- Slider must operate in temps between -10°C - 32°C

Potential Components
- 3D Printed Parts
- Arduino Mega
- Arduino Screen for controlling
- LiPo Battery
- 1 motor
- bolts
- sprocket for belt
- copper wire
